An exceptional piece that combines classic elegance with an impressive presence: this handmade ring in 750 rose and white gold is crowned by an imposing brilliant-cut diamond of 2.00 ct. The harmonious combination of the two gold tones gives the ring a modern yet timeless look.

At the centre is the impressive 2.00 ct diamond of L/SI2 quality. A GIA certificate confirms the quality and characteristics of this special diamond.

On the shank, additional diamonds provide a captivating sparkle. The champagne-coloured diamonds set warm, elegant accents and complement the central diamond in a particularly stylish way.

A handmade piece for a special moment.
