Construction	Made in our workshop with hand engraving
Reference	13672.25.260

A timeless signet ring that elegantly unites fine materials and traditional craftsmanship. The combination of cool white gold and warm yellow gold gives the ring a special radiance and a stylish contrast.

The hand-engraved shield with helmet and plume shows the highest precision and attention to detail. Every line is worked with care, making the ring an individual piece with unmistakable character.

A personal signet ring with character, made to last for generations.
