These elegant stud earrings impress with their two ways of wearing: the tsavorites can be worn on their own or together with the sparkling diamonds, for either a discreet or a more expressive look.

Made in our workshop from 750 rose gold, the two tsavorites, with a total of 1.74 ct, are each claw-set with four claws. They are complemented by 44 diamonds with a total of 0.18 ct. The polished surface underlines the refined appearance of the piece.
