The Heritage series is a tribute to the long watchmaking tradition of the house of Titoni. Among the most recent models in the series are two so-called bicompax chronographs. Both watches are inspired by a legendary Titoni watch from the 1950s. Both the vintage edition and the modern retro version recall this distinctive timepiece. Bicompax chronographs have two sub-dials: a seconds totaliser at 9 o'clock and a minutes totaliser at 3 o'clock.
