Exclusive material meets traditional goldsmithing: this special pair of wedding rings is handmade in our own workshop and is made of high-quality platinum 950.

The striking milled texture joins matt and polished surfaces. This creates an exciting interplay of light and structure that gives the rings a modern yet timeless presence.

The ladies′ ring is adorned with 42 finely sparkling diamonds. With a total of 0.40 ct and a quality of TW/VVS/VS, the diamonds are elegantly pavé set. The fine sparkle forms a beautiful contrast to the characterful surface of the ring.

With a width of 6.0 mm, both rings look present and harmonious at the same time. A pair of wedding rings that unites high-quality platinum, individual design and masterly craftsmanship.
