Elegant, clear and stylish: this special pair of wedding rings combines warm rose gold 750 with a high-gloss polished surface and fine princess-cut diamonds.

The ladies' ring is enhanced with five precisely cut princess-cut diamonds. With a total of 0.32 ct and a quality of F-G/VVS-VS, the diamonds provide an intense and elegant sparkle. The square shape of the princess-cut diamonds gives the ring a modern, clear presence.

The stones are flush-set and fit harmoniously into the simple design of the ladies' ring. The contrast between the delicate ladies' ring at 2.8 mm wide and the striking men's ring at 5.0 mm wide makes for a harmonious, well-matched pair.
