This elegant pair of rings in 750 white gold unites a modern, clear look with finely set diamonds. The lengthwise matt surface gives the rings a discreet, high-quality texture, while the rhodium plating provides a bright, brilliant colour effect.

The ladies′ ring is adorned with 18 finely sparkling diamonds. With a total of 0.072 ct and a quality of G/VS-SI, the diamonds set stylish accents without overloading the understated elegance of the ring. The diamonds are flush-set and harmoniously integrated into the shank.

The men′s ring takes up the design of the ladies′ ring and is a little wider and deliberately plain, a perfect harmonious counterpart.
