Wedding rings by Max Kemper: timeless elegance in 750 yellow gold

These fine wedding rings by Max Kemper combine classic design with an elegant, modern detail. Made from high-quality 750 yellow gold and polished to a high shine, the rings impress with their warm colouring and their smooth, timeless form.

The ladies′ ring is enhanced with eight sparkling diamonds. The diamonds, with a total of 0.08 ct in H/SI quality, are discreetly and elegantly flush-set and add stylish accents of light to the shank.

A stylish pair of rings for two people who wish to seal their bond with a timeless classic.
