A pair of wedding rings with a very special symbolism: "Starry Sky (Sternenhimmel)" joins fine platinum 950 with warm rose gold 750, creating a captivating contrast of cool elegance and warm colouring.

The surface of the platinum is satin-matt, while the high-gloss polished rose gold provides a warm, refined shimmer. Especially unique are the stamped stars in the platinum, which appear like small points of light on the ring and give the design its unmistakable character.

A personal starry sky on your finger: two fine metals, special craftsmanship and stars that symbolise the many shared moments of life.
